THE DECK

Overlooking the 9th Green, tranquil dam, and local wildlife, our deck is one of Tallai Country Golf Clubs's most sought-after function spaces. Offering breathtaking views and a relaxed outdoor atmosphere, it is the perfect setting to celebrate whilst providing the perfect backdrop for your next event.

Featuring its own private bar, a mix of high and low seating, comfortable lounge areas, and charming spaces surrounded by greenery. The Deck creates a unique and inviting environment for any occasion. Ideal space for 40 to 350 guest.

Please note:

As this is an outdoor function space, Deck bookings are weather dependent and are available during suitable weather conditions. Our team will work closely with you to discuss alternative arrangements on the veranda if adverse wet or heated weather is forecast.

THE GARDEN BOOTHS

Located on our beautiful outdoor deck, the Garden Booths offer an intimate and relaxed setting for smaller celebrations and social gatherings. Surrounded by lush flowering vines and festoon lighting, these private spaces provide the perfect balance of comfort and ambience. Ideal space for 20 to 30 guest.

The iconic Tallai Veranda has been creating memories for generations. Thoughtfully refined while remaining respectful of the clubhouse's character, the Veranda continues to be one of the club's most recognisable and beloved spaces.

One side overlooks the children's playground, and the other overlooks the outdoor deck and mega screen.

With flexible seating arrangements available, including both seated dining and cocktail-style functions, it is ideal for baby showers, gender reveals, birthday parties, family gatherings and other intimate events.

An added benefit of the Veranda is its versatility as a wet weather alternative for functions booked on the Deck. It provides a comfortable covered space, ensuring your event can continue seamlessly without compromising the experience.
